Absolutely stunning detached villa with sea views, located in the beachside neighbourhood of Urb. Las Chapas in El Rosario. The property has been lovingly refurbished to an exceptionally high standard and is one of the best examples of its type in the area of East Marbella.

A secure automatic gated entrance leads to driveway with private garage, beautifully manicured garden with low-maintenance planting and private swimming pool. Accommodation comprises on the entrance level hallway with double-height ceiling, living/dining area with direct access to a spacious covered terrace, fully fitted luxury kitchen, utility room, 2 bedroom suites and 2 bathrooms. There is also an elevator providing access to the lower and upper levels of the house.

A staircase leads to the 1st floor which features a stunning master bedroom suite with private terrace, dressing room and spectacular en-suite bathroom, while there is also a further bedroom suite which is currently used as an office and snug, again with private terrace and bathroom.

The lower level of the house features an entertainment/games area with built-in kitchen and bar area, plus spacious lounge and bedroom.

This is an exquisite house and we highly recommend early viewing.
