Aria by the beach is an off plan project of an exclusive gated complex with just 39 apartments placed at first line beach with an elevation which make possible the infinity, stunning and panoramic views over the Mediterranean Sea, direct beach access, iconic architecture and life's amenities on the doorstep. Just driving through the curved entrance archway you will enter lush green, tropically landscaped gardens that embrace 3 curved buildings of iconic design. A unified design provides spacious communal grounds with uninterrupted lines-of-sight across from the pool to the central "plaza" and through the sprawling gardens. These open areas give the resort a fresh feeling and allow the sunshine to flow throughout. Once inside the property, you are immediately met with an unbeatable sea view in fact. The master bedrooms have been intentionally positioned to enjoy the same amazing views as the main living areas, which combine the kitchen, dining and lounge for a maximized sense of space. It is an authentic experience of the best lifestyle indeed. Facilities around: beach, historic castle, horse-riding, hotel and spa, bars & restaurants, shopping mall, supermarket, train & bus connections.
